Dear Supervisors:

**PUBLIC HEARING AUTHORIZING SOUTHERN CALIFORNIA
HOME FINANCING AUTHORITY TO ISSUE SINGLE FAMILY BONDS
(ALL DISTRICTS)
(3 Vote)**

IT IS RECOMMENDED THAT YOUR BOARD, AFTER THE PUBLIC HEARING:

1. Find that the resolution approving the issuance, sale and delivery of one or more series of Single Family Mortgage Revenue Bonds is not subject to the provisions of the California Environmental Quality Act (CEQA), as described herein, because the activities are not defined as a project under CEQA.
2. Adopt and instruct the Chairman to sign a Resolution approving the issuance, sale and delivery of one or more series of Single Family Mortgage Revenue Bonds (Bonds) by the Southern California Home Financing Authority (the Authority), in an aggregate principal amount not to exceed \$800,000,000, over a three-year period, to provide financing for the First Time Homebuyers Program (the Program).
3. Authorize the Executive Director of the Community Development Commission to execute all documents necessary to ensure the issuance of the Bonds by the Authority, following approval as to form by County Counsel.
4. Authorize the Executive Director of the Community Development Commission to apply from time to time, on behalf of the Authority, to the California Debt Limit Allocation Committee (CDLAC) to obtain private activity bond allocations for the Bonds to be issued by the Authority.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION:

The purpose of this action is to conduct a public hearing to authorize the issuance of the Bonds by the Southern California Home Financing Authority, a joint powers authority of Los Angeles and Orange Counties, to provide financing for the Program.

FISCAL IMPACT/FINANCING:

No County costs will be incurred for the issuance of the Bonds.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS:

Since 1982, the Commission has administered the Program, under which Bonds have been issued to provide below market, fixed rate loans to eligible first time homebuyers. Over \$1.6 billion in long-term bonds for home mortgages have been issued through the Program, providing financing for 15,000 homes. The \$800,000,000 requested includes \$500,000,000 for anticipated bond issuances for mortgage loans for first time homebuyers over the next three years and \$300,000,000 for an existing drawdown bond facility for mortgage loan pre-payments received from outstanding bond issues or new allocations from CDLAC.

In 1988, your Board authorized the formation of the Authority. Since that time, the Authority has issued 36 series of bonds. The attached Resolution authorizes the Authority to issue the Bonds in one or more series, prior to January 30, 2010, for the Program.

Under the above Program, the current maximum income limits for eligible Los Angeles County homebuyers range from \$83,160 for a family of one or two, which is 120% of the area median income, to \$97,020 for a family of three or more persons, which is 140% of the area median income. Typically over one-half of the loans are made to homebuyers earning between 80 and 90 percent of the area median income. The Commission also provides incentives to assist low-income households with home purchases, including down payment and closing cost assistance.

The proposed issuance of the Bonds will be conducted in accordance with the Internal Revenue Code of 1986 and Part 5 of Division 31 of the Health and Safety Code of the State of California. Section 147(f) of the Internal Revenue Code of 1986 requires that a notice of the public hearing be published once in a publication of general circulation, at least 14 days prior to the public hearing date. The notice for the public hearing was published in the Los Angeles Times on January 8, 2007.

The attached Resolution was prepared by Kutak Rock, Bond Counsel to the Authority and approved as to form by County Counsel.

ENVIRONMENTAL DOCUMENTATION

These activities are exempt from the provisions of the National Environmental Policy Act (NEPA) pursuant to 24 Code of Federal Regulations, Part 58, Section 58.34 (a)(3), because they involve administrative activities that will not have a physical impact on or result in any physical changes to the environment. The activities are also not subject to the provisions of CEQA pursuant to State CEQA Guidelines 15060(c)(3) and 15378, because they are not defined as a project under CEQA and do not have the potential for causing a significant effect on the environment.

IMPACT ON CURRENT SERVICES:

The requested action will permit the issuance of Bonds by the Authority to provide financing for the Program.

Respectfully submitted,

for CARLOS JACKSON
Executive Director
